

A New Day Foundation

The A New Day Foundation Offers Hope & Empowerment

Dear Class of 2020

On behalf of the A New Day Foundation, our Board of Directors and myself, CONGRATULATIONS on all of your accomplishments - great and small, in the midst of these unusual times! What you have endured during your high school journey, has been unprecedented and will no doubt leave an indelible impression on you for the rest of your life. The ANDF encourages you to use these experiences as "Fuel For Your Future Success" and not an excuse to quit, question or doubt that you still have every opportunity to maximize your potential and accomplish your education and career goals. Yes, you didn't get to have a big party . . . Yes, you didn't get to have an official ceremony, but please take a look around and recognize and appreciate how the entire country is coming together to celebrate and salute YOU in any way we possibly can - TV Specials, Commencement Speeches from your favorite athletes and performers, TV & Film celebrities, dignitaries, President Barak Obama . . . You Name It . . . It's ALL for YOU! We're here for you!!! That's NEVER happened before either!

Normally, at this time of the year the A New Day Foundation hosts our annual "Focused N F.I.T. For A Different World Conference", for High School Juniors & Seniors and College Freshman & Sophomores. The conference is designed to give you valuable information in the areas of Financial & Technological Literacy, as well as provide students with scholarships & computers in support of their higher education and career goals. Unfortunately due to the pandemic, like your ceremonies, we can't gather to do that either. But never fear, once we're able to come together again, plans will be put in place to resume the conference and all of our other programs that you look forward to and rely on. Thank you again to all of the ANDF Sponsors and partners that enable us to continue to bring our year round programs that inspire, inform and empower our deserving teens and communities.

CLASS OF 2020 - We See You!! We Applaud You!! We Expect Nothing But The Best From You!! YOU ARE OUR FUTURE - - MAKE IT BRIGHT!!

We're all going to get through this TOGETHER! Stay Encouraged

Blessings & Positivity,

Dawnn Lewis, President & CEO
